Know that you can never know the future, nor when a great achievement or a great loss will change your life or that of others

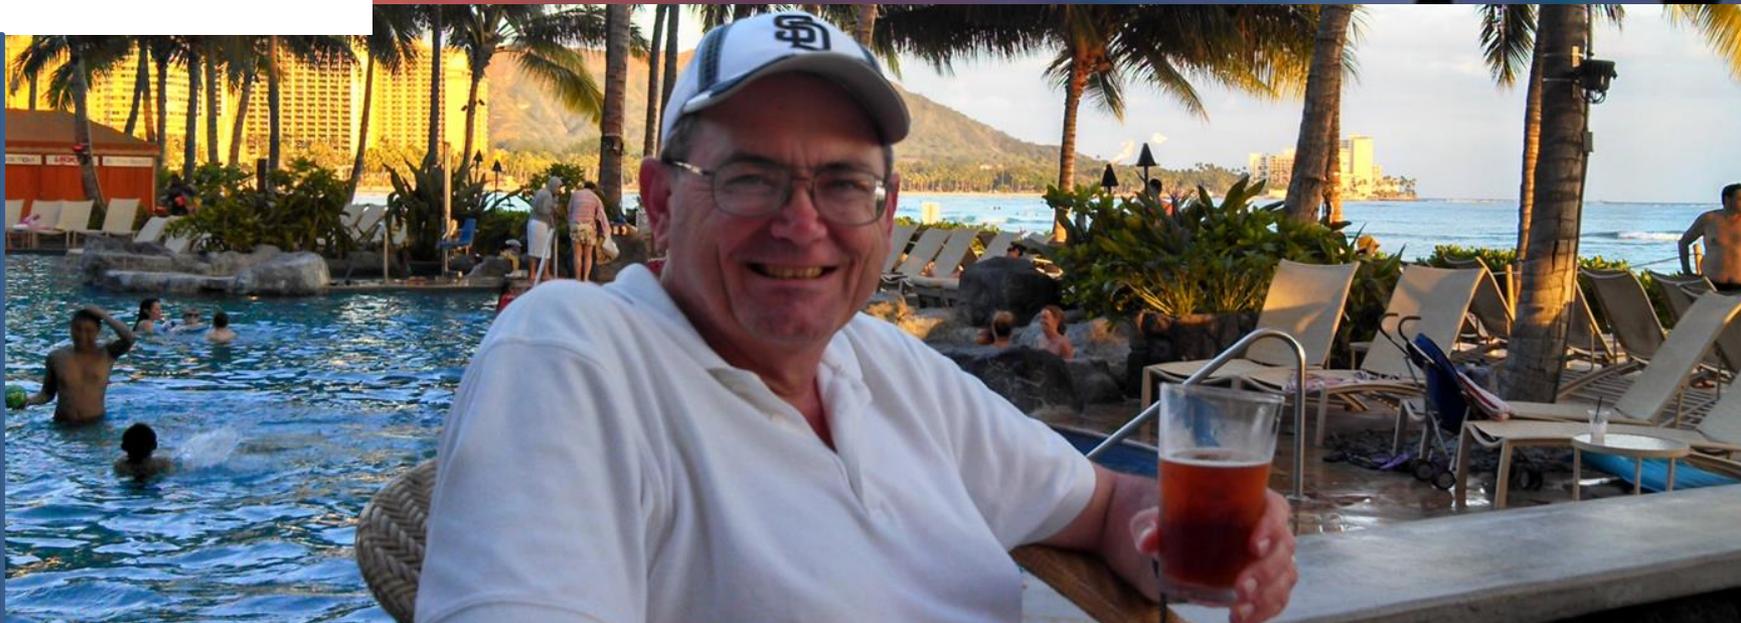

“Be happy for no reason, like a child. If you are happy for a reason, you’re in trouble, because that reason can be taken from you.”

Deepak Chopra

**Never expect
someone else
to fix your
problems
or brighten
your day;
That's your
JOB!**

**If you're searching
for that one
person that
will change your
life, take a look
in the mirror.**

**Plan and Prepare,
but most
importantly,
learn to ADAPT!!!**

**LIFE IS WHAT
HAPPENS WHILE
WE ARE MAKING
OTHER PLANS.**

**-ALLEN
SAUNDERS**

Never forget to give every one you meet every chance to succeed! They all know something and its often something I/we didn't know!!

Everybody is a genius.

But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid.

Albert Einstein.

Never lose sight of what and who are most important in your life!

**Never miss the
opportunity
to share your
“boat” with
the ones you
love the most**

**Never stop sharing
your dreams with those
you love and who earlier
thought you were crazy**

Never pass up a good campfire on any night it's available when its with friends and love ones.

**Lead, Follow,
or Get Out
of the Way!**

**Don't whine;
Don't follow
the crowd.
Be original,
be creative,
*BE A LEADER!***

Its time to “Fish or Cut Bait”. SWST needs to aggressively act and lead the way to a Bio-based, Renewable, & Sustainable Future!!!!

**In closing, I
want to thank
SWST and each
of you for
allowing me,
over these
many years, to
work with and
learn from
each of you.
Thank you!**
