

Society of Wood Science and Technology (SWST)

WOOD AND FIBER SCIENCE MANUSCRIPT REQUIREMENTS AND FORMAT

- ▶ Manuscript is consistent with Journal policy (see [Editorial and Publication Policy](#))
- ▶ Your organization will agree to pay page charges (see [Page Charges](#))
- ▶ Length of text: 5000 word equivalents (you can check this by blocking only the text and then clicking on “properties” under “file” in Word)
- ▶ Initial title page with title, authors (indicate only one corresponding author), short title (see [Title Page Example](#))
- ▶ After title page: Abstract, Keywords, body of text with references, acknowledgements, tables (1/page), figures (1/ page) (see [Manuscript Format](#))
- ▶ Proper headings in text (see [Headings](#))
- ▶ Citations in text (name date);
- ▶ No indications of insertion place of tables and figures (this is done by the publisher)
- ▶ References: alphabetic listing and properly formatted (see [References](#) and [Periodical Abbreviations](#))
- ▶ SI units only (see [SI Units](#))
- ▶ Proper conversions to SI units, especially for nominal values (see [Conversion to SI Units](#))
- ▶ Proper symbols: % (not percent); s (not sec); h (not hour or hr) (see [Symbols and Abbreviations](#))
- ▶ Proper numbers of significant digits, especially for conversions
